PRESENTS  
AN EVENING WITH...

# **CLARE BALDING** CBE

## **SPONSORSHIP OPPORTUNITIES**

We would love to speak to organisations and individuals that would like to help us create a truly memorable evening to raise valuable funds and awareness of our Northamptonshire charity.

With your help, we can...

...Give young people of all abilities and physical capabilities the confidence to move and in turn, they will find the confidence to shine and overcome life's challenges.

Every child should have the help to see what they can be, and that help can be from the Mintridge Foundation.

## **UNABLE TO JOIN?**

If you are unable to join us during the evening but you would like to support our charity, we would love this! In a world of superficial social media presence, increasing sedentary lifestyles, a mental health epidemic and the long reaching impact of Covid - 19, young people need to see a greater variety of sporting role models. Young people need the Mintridge Foundation more than ever.
