The Mintridge Foundation is a registered charity dedicated to enhancing life skills in young people through sport. We provide a support network for young people by harnessing the power of positive sporting role models.

Nibble is Mintridge's Nutrition Partner and we're on a mission to help you eat less sugar. Our award-winning, protein-packed snacks are made with antioxidant-rich dried plums (instead of dates), so you get less sugar and more flavour! For more info, go to: [nibbleprotein.com/minty](http://nibbleprotein.com/minty)

Colour in the star when you've completed each activity. Don't forget to add up your points for each section!
